

# East White Oak Children's Ministry Protocols for COVID-19

We are excited to reopen ministry to our boys and girls! We are targeting Sunday, September 20 to partially reopen Sunday Morning Children's Ministry and Wednesday, September 23 to begin our AWANA clubs.

Due to COVID restrictions, our programs will look a little different than usual. We are implementing the following practices:

**Health Check**

Pre-arrival assessment of COVID exposure and symptoms

**Disinfecting**

Efforts to keep hands and surfaces sanitized

**Social Distancing**

Maintaining six feet of distance between participants

**Masks**

Volunteers and children will wear coverings over mouth and nose while in the building.
