

3. What are the **pathways** that make us healthy in these vital signs?
Sunday worship. Bible fellowships. Small groups.

4. How do we illustrate the focus, the vital signs, and the pathways?
Our logo helps us.

Table Talk

- 1) What is our focus statement at East White Oak? What is important about the word, “seeking”? Why is worship our number one passion? How is “maturing in Christ” the means to becoming better worshipers?
- 2) What are vital signs in the field of medicine? What vital signs do we have at East White Oak to reveal our church health? What is your strongest vital sign? What is your weakest?
- 3) What pathways does our church have to help us grow stronger in the vital signs? What is important about each one? Are you participating in each pathway? How can we pray about these pathways staying open in the midst of COVID?
- 4) What is our new logo attempting to communicate? Why are we going to limit our various nicknames going forward? Since there is no moral issue involved in our church naming protocol, why is it helpful on morally neutral matters like this simply to join in and enjoy the ride?
