Table Talk

- 1) Why is it a good idea for churches to have ministry that engages all ages and both genders and to have ministry that is gender and age specific?
- 2) What are some ways that you can reveal the Gospel to older men, younger men, older women, and younger women? Why is purity so important to this?
- 3) How have you seen family as the first line of defense against the ravages of the sinful effects of Adam's rebellion?
- 4) What issues do you foresee or even now are facing in the care of widows in your family?
- 5) How can widows set their hope more on God? How might we empower our widows to pray more fervently?
- 6) What does it mean to be "worse than an unbeliever?" How can we reveal the Gospel in how we care for widows?
