Table Talk

- 1) How does verse 3 contradict those who say, "Doctrine divides. We should not get so focused on doctrine."?
- 2) What are the characteristics of sound doctrine in verse 3?
- 3) What characterizes those who teach different doctrine? (v. 4-5) Have you ever run into such people in the church, where if there is a controversy they are highly engaged in fanning the flames of it? What should we do with such people?
- 4) What is the difference between a healthy concern about finances and budget and an unhealthy focus on money? What are some ways that you use to grow your contentment with what you have? (v. 7-8)
- 5) Why is it easy not to take verse 9 seriously for ourselves but seriously for others? How does the love of money lead to all kinds of evil? (v. 10)
