*Senior Pastor, Bethany Community Church*

1. Keep Yourselves in the Love of God the Father.
2. Building Yourselves Up in the Faith (Jude 20a)
3. Praying in the Holy Spirit (Jude 20b)

### 3. Waiting for the Mercy of Jesus Christ (Jude 21)

## Table Talk

- 1) What are some of the problems believers are facing in Jude's epistle? What warning has Jude just mentioned as we come to this passage? Are you contributing to division in Christ's church? Does disunity in the church cause you sorrow? What hope does Jude present?
- 2) How is your worship of God different because He is a "triune" God? How does the reality that God is Father, Son, and Holy Spirit affect your worship of Him?
- 3) What does it mean to "keep yourselves in the love of God"? Does that contradict what Jude says about it being God who keeps us?
- 4) Are you being built up in your faith? In what ways? How does God describe growth occurring in His children? What is God doing in your life to grow you? What role does His Word play in that process?
- 5) What does it mean to pray in the Spirit? What does it reveal if we are not faithful in prayer? How do we grow in our ability to pray?
- 6) What does it look like to be "waiting for the mercy of the Lord Jesus Christ"?
- 7) How can God grow churches in our area in unity with one another? What is the basis for our unity? What are the barriers to unity?
