	T	able Talk
	1)	Read Psalm 56 aloud. When have you been afraid? What words of reassurance does David give himself?
	2)	Read Psalm 34 aloud. Even though David used the trick of pretending to be crazy, how does this Psalm show that he is not trusting in himself? List some ways that David knows that the Lord is watching over him.
	3)	Read Psalm 52 aloud. How would you feel if you knew that your presence had meant that many, many people lost their lives? How does David get over it?
	4)	Read Psalm 54 aloud. What does David pray (vv. 1-2)? Why does he pray it (v. 3)? Who

is God (vv. 4-5)? What are David's priorities and why are they so important (vv. 6-7)?
