Will you commit to Experience the Word Together in 2019?

Table Talk

- 1) Will you commit to spend at least 10 minutes a day reading the Bible and *Experience the Word Together in 2019*?
- 2) Have you ever read a book (other than the Bible) or watched a film that changed your worldview? How could *Experience the Word Together in 2019* shape your worldview?
- 3) Do you think that you can explain to people that the Bible is worth studying as the foundation of one of the world's great belief systems? Is this different or the same for the sacred texts of other beliefs? Why?
- 4) The Bible is a big influence in the great achievements of Western civilization: ethics, legal systems, compassion. Do you agree or disagree? Why?
- 5) Reading the Bible makes sense of other literature, it is the source of quotes in our language such as 'the skin of his teeth', 'the powers that be', 'wash your hands of it', 'kill the fatted calf' etc. During your reading could you share the Gospel by discussing with people the literary influence of the Bible?
