Numbers 20:1-13

Dr. Ritch Boerckel

Central Idea: Frustration tempts us into _____.

The _____ of God in our Trials

Truth: The same hardship that God designs to grow our faith can also destroy our faith. The same sun that melts the snow hardens the clay.

The _____ we encounter in our Trials

—The people fall again into _____.

Principle: We will grumble if we expect this world to be like _____.

—Moses and Aaron fall into _____.

Principle: _____ in ministry does not mean that the Lord is pleased with the minister or the church.

Two Lessons from Moses' sin:

Lesson #1: Our responsibility for our sin is not diminished by the _____ that made us vulnerable to it.

Lesson #2: Temptations that we overcame yesterday may grab hold of us _____.

The _____ of God in our Unbelief

Truth: A momentary loss of _____ can rob us of God's pleasure. While God is gracious, He does not remove devastating consequences that result from our sin.
