“God’s Rescue and Human Rebellion”

Genesis 19:15-22, 30-38

Scott Boerckel, Senior Pastor

1. People are unable to save themselves. (Genesis 19:15-22)

2. Even those who are saved sin terribly, BUT God's mercy is more.
(Genesis 19:20-38)

Table Talk

- 1) Why is it hard to believe that we are not able to save ourselves? How do even professing believers revert back to trying to save ourselves?
- 2) What are you "lingering" over in this present world? (see 19:16) How is Lot's life a warning to us?
- 3) Where do you see God's grace in this section of scripture?
- 4) Describe a time when you said, "Oh, no!" to God's plan. (see 19:18-20) How did that work out for you? How did it work out for Lot?
- 5) What are the biggest concerns for Lot's daughters? (19:31) How do they decide to kingdom build for themselves? What is your biggest concern in your life right now? How is that concern also a temptation to kingdom build?
- 6) In what ways do we see that "God's mercy is more" in this text? How can this be an encouragement for us when we have managed to make a complete mess of things?
